

## The Bargain Friday Sale.

The first one of the new century will be resplendent with values such as any store may well be proud of—offerings that will combine high qualities and low prices to a most unusual degree—bargains that will draw you to The Big Store to-morrow—because your own interests will compel you to pay attention to the many money-saving opportunities prepared for the occasion.

### Trimmed & Untrimmed Millinery Black & Colored Silk Remnants

Where else, for instance, can you buy such great and genuine bargains in fine millinery as these which we offer for Bargain Friday? Look them over and judge for yourself:
